Toneconnect Corp.

**Sharing URLs with NFC,
Bluetooth, IrDA, Wi-Fi-direct...**

Too complicated!

Oh!

**All phones have
microphones and
speakers!**

How?

Simply using tones.

**Regardless of location or language,
anyone can use Toneconnect.**

**My motivation for
creating Toneconnect:**

**To thank the World
for helping Japan
during the tsunami.**

**To promote and use
Toneconnect will
help someone and
yourselves.**

Thank you !
